

Severe Asthma Patient Charter

Published 3 September 2018 Advances in Therapy Journal

REFERRAL

I deserve a timely, straightforward referral when my Severe Asthma cannot be managed in primary care.

DIAGNOSIS

I deserve a timely, formal diagnosis by an expert team.

PHENOTYPING

I deserve support to understand my type of Severe Asthma.

QUALITY CARE

I deserve quality care that reduces the impact of Severe Asthma on my daily life.

CHOICE

I deserve not to be reliant on oral corticosteroids.

ACCESS

I deserve to access consistent quality care, regardless of where I live or where I choose to access it.
